📌 Ontario Library Association Super Conference

Our librarian will be attending the OLA Super Conference in Toronto again this year, and we're excited to see what new ideas she brings back to our library. After attending the conference last year, she introduced several creative and successful initiatives inspired by conference seminars, including the Seed Library, expanded community outreach programs, and even weeding in the library. These ideas helped reimagine how our library serves and connects with the community. We can't wait to see what inspiration 2026 has in store!

Provincial Parks Passes

Patrons can borrow one of three daily vehicle permit passes to enter any operating provincial park for one vehicle and its passengers.

Most permits are valid from 8:00am to 10:00pm but times can vary by park.

A daily vehicle permit is a wonderful way to experience the beauty of a provincial park for the day. Skate, cross country ski, snowshoe, explore and make magical outdoor memories this winter!

Need a little warm up?

We have coffee, tea, and hot chocolate available at the Kearney Library! \$1.50 each or bring your own mug and it is only \$1.00!
